Attention is invited to
my remarks and the orders of the
late Dewan and the late Commissioner
thereon - The allowance of Rs. 2-11-2
per mensem paid from the Nanjan-

in 1892 owing to the insufficiency
of funds in that temple. Even
there is absolutely no savings and

be informed that Government

partment.

Mysore Government.

Sir,

You may be aware of the
existence of Sri Prasanna Jalakant
Iswara's Temple in Fort-Bangalore City.

This temple has been built-up
and improved by my family members
and the up keep and additional cost
have been borne by us, supplemented
as the same has been in part by the
Muzrai endowments.

I have been the Dharm
Karthi of the temple after the demise
of my cousin Mr. A Venkatachella
Mudaliar. As I had entrusted the
immediate supervision to some other
the matter of the discontinuance of
part of the Government monthly al-
lowance of Rupees two annas eleven an-
nas

Six only usually granted from the
Nanjangood Taluk to this temple,
escaped my knowledge and I much
regret this

I shall be highly obliged by
your instituting the necessary in-
quiries and ordering the grant of the
monthly stipend from the date of
discontinuance of payment up to date
and as well as the continuance of the same
in future. It is found hard now to
maintain the worship &c and I beg
you will further the interests of this
institution by the revival of the said
grant and affording other possible
encouragements from the Tungarai funds

As I am likely to go out and as I
have asked my brother A. J. Lingarajulu
Mudaliar Sub-Registrar of Bangalore
city to manage the Temple affairs I
request you to pay the arrears &c to him
and address him on the Subject

I beg to remain
Sir,
Yours, obedient servant

With reference to your office circular document, dated 12th March, 1906, in forming reply, to my petition of 25th February 1902, complaining about the discontinuance, of the monthly allowance of Rs 2. 11. 2 which has been paid, to the Sri Prasanna Jalukandeeswarar Swami's Temple, Tanjore Taluk, that it is not possible, to revive the allowance, which was stopped so far back as 1892; and my subsequent personal representations, to you last year, for your consideration, which appears I have yet received, no attention, it is respectfully beg to repeat, that this temple, was one of the two oldest ancient State institutions, of the North. It was renewed, and improved, by my late uncle, and was endowed by the then Govt nearly half a century back, with two and another cash allowance, towards the maintenance of worship therein. The worship has been all along and is now carried out, and it is not known why and under whose authority the stoppage of one of the allowances, was ordered. I was not called upon to show, cause why, it should be discontinued. In fact I was not for a long time as already stated, aware of this, as there used to be other contributions, chiefly from our own family, for the worship, and the

gentleman who was managing the temple
affairs, brought the matter to notice several years
after. Immediately I tried, but was unable to
to find out, whether there was any mistake, or
oversight, in the matter of the remuneration of the
allowances, which used to be made, by cheques,
periodically, at different intervals, and failing
to satisfactorily, to ascertain this. I represented
to you in full hopes not only of the restoration
of the allowance with interest, but also steps
being taken, to supervise, that work which
daily maintained, and to regular & monthly
payment, of the allowances. I explained to you
this was the more necessary, my family, being
no longer, able to look to them, in our present depressed
condition, of which, you are fully aware. I have
left Bangalore some years back and my
brother who was devotedly, much time, attending
to this, and had managed to raise, Contributions,
even to instituting Car processions, for 3 years.
Recently, is dead, and my Cousin Mr.
Chokalingamoodi, who undertook the management,
for some time, has given it up, since
the Archak, has become troublesome,
owing to irregular and small payments,
which cannot be helped, under the circum-
stances.

The above order, is a sore disappoint-
ment, to me and very painful. In my
humble judgment, if it was possible, to
permit the stoppage of the allowances, we
had a run of scores of years, its restoration
more so to an old and useful institution
which must be kept on, going under the

benevolent Government, interested in the
welfare of religious, and charitable institutions, will
be an act of just generosity. But, Commissions,
after an unwarranted, break of 12 or 13
years. It is needless to say that the "Public
Service", will hopelessly, deteriorate. -
Government, endow - is duly inadequate - the
indifference, with, and is very largely a bad example
will prove a bad example to others.

I venture therefore, to respectfully
urge, for a favourable reconsideration, of the
order, and to my that a proper Officer -
may be appointed, with warnings to the
Rajawadee.

I also pray, that I may be favoured,
as early as possible, with a copy, of the order
sanctioning these allowances, and also of
the orders, for the stoppage, of the allowances
in question, so that I may if possible be made
a regular applicant, without further loss of
time, as owing to my wanderings, and absence,
a long time, has already elapsed, and it is
so high time, that the affair is brought

I have the Honour to be, Sir,
Your obedient and devoted
W. W. W. W. W.
